

Disciplinary Consent Form

In the event the teachers and/or chaperones on the trip determine that your child's words or actions are disruptive, or your child has exhibited behavior that may lead him/her to be a danger to himself/herself or others, your child may be required to return home before the completion of the trip.

If decision is made by the teachers and/or chaperones to send your child home before the completion of the trip, you agree, as the legal guardian, to pay for all expenses associated with such discipline. Specifically, you agree to purchase a one-way ticket from the closest airport to your home airport for your child. You also agree that either you or your designee (i.e. a relative, caregiver, etc) will meet the child at the airport closest to where the child is currently traveling on the tour and then escort the child home. The airfares for such a disciplinary event and all associated costs (extra hotel rooms, meals) will be at your expense and paid by you. No advance will be provided by Blueprint Tours, Inc. to cover such costs.

I have read the above agreement and agree to comply with the terms and conditions if my child is asked to leave a trip early due to disciplinary problems.
